Pet Grooming Services

Two locations
to serve you!

DOG GROOMING INCLUDES:

You will meet with the groomer of your choice at drop-off to confirm your pet's grooming needs based on the season, age of the pet and your lifestyle.

- Your pet will receive a thorough, gentle bathing with shampoo appropriate for their coat and skin., followed with fluff drying and a brushout.
- Cutting, trimming, and scissoring
- External anal gland expression
- Nail trim
- Limited ear plucking and cleaning
- Sent home with a seasonal scarf

***Dogs must be up to date on vaccinations and fecal exams prior to grooming appointment.**

Dog Vaccine Requirements:

- Rabies
- Distemper/Parvo (DHPP)
- Bordetella (Kennel Cough)
- Influenza
- Negative semi-annual fecal result

CAT GROOMING INCLUDES:

You will meet with the groomer of your choice at drop-off to confirm your pet's grooming needs based on the season, age of the pet and your lifestyle.

- Sedation may be required
- Spot shaving, sanitary trim, lion cut
- Nail trim

*Unlike dogs, cats are not bathed with grooming

*If sedation is needed we will have a veterinary nurse available to monitor the cat under anesthesia. Pre-anesthetic bloodwork will be performed as well.

***Cats must be up to date on vaccinations and fecal exams prior to grooming appointment.**

Cat Vaccine Requirements:

- Rabies
- Distemper (FVRCP)
- Negative semi-annual fecal result
